WELCOME

The first school your child will *remember.*

A pearl is formed slowly, layer by layer, with patience and care. That is how we see early childhood.

Since 2012, families in Ramdaspeth and across Akola have trusted us with their children's very first steps into learning. It begins at **Pearl Kidz**, where two-year-olds settle in through play, and continues into **CGS Early Years**, where Nursery, Jr KG and Sr KG build the foundations for school.

Our classrooms are warm, bright and unhurried. Children learn through play, stories, songs and discovery, guided by teachers who know each child by name. From Nursery onwards, they grow up at Chhaya Global School on the **same campus, with the same family** around them.

FOUNDER & VISIONARY

Dr. Chhaya Mishra

Ph.D. in Economics · NET · M.Phil (Gold Medalist)

A respected academician with over 20 years of teaching experience across graduate, postgraduate and law colleges. Her belief in values-based learning and the all-round development of every child is the foundation of Chhaya Global School and Pearl Kidz.

OUR APPROACH

Learning through play, *growing with purpose.*

The early years shape how a child thinks, feels and connects with the world. In our early years, every activity has a quiet purpose behind the fun.

Early literacy

Listening, speaking, phonics and a love of books. Children learn sounds, then words, then the joy of reading their first sentences.

Early numeracy

Counting, sorting, shapes and patterns with real objects, so numbers make sense long before they are written down.

Confidence & care

Sharing, taking turns, expressing feelings and speaking up. We help children feel secure, so they feel brave enough to try.

Body & creativity

Outdoor play, movement, music, art and craft build strong bodies, steady hands and imaginative minds.

NEP

Our early years follow the **Foundational Stage** of India's National Education Policy: play and activity-based learning that builds foundational literacy and numeracy, and supports each child's physical, emotional and cognitive development.

THE JOURNEY CONTINUES

From first play *all the way to Grade 10.*

Your child's journey starts with Playgroup at Pearl Kidz. At three, they join CGS Early Years in Nursery, and from then on they are a Chhaya Global School student. Grade 1 is simply the next classroom, with teachers who already know them and friends they grew up with.
